 **EROAD
Starter Plan**

Cost: \$12 per month **Term:** 36 months

Warranty on equipment: 12 months

Easily manage your RUCs and ensure total compliance at a very reasonable cost. The EROAD Starter Plan includes:

AutoRUC

Purchasing RUCs is made even easier with AutoRUC. Decide how many Kms you want to buy each time and AutoRUC looks after the rest.*

 **EROAD
Map Plan**

Cost: \$37 per month **Term:** 36 months

Warranty on equipment: 12 months

The EROAD Map Plan enables you to both easily manage your RUCs and to see the location of your vehicles at any time during the day. The EROAD Map Plan includes:

RUC On Demand

Manage each vehicle's RUCs in real time. Simple 'point and click' ensures your RUCs are purchased as you need them.

Vehicle Location**

The Ehubo Map Plan enables you to locate your vehicles anywhere in New Zealand at any time of the day.

EROAD Service Module

Easy to set up and easy to use. The EROAD Service Module ensures on-time alerts for COF, WOF and Rego renewals as well as schedules for vehicle services.

The EROAD Service Module enables you to access your service records 24/7 online.

*EROAD Starter Plan does not include offroad claims.

**EROAD Map Plan does not include vehicle activity history.

 **EROAD
ErucPlus Plan**

Cost: \$42 per month **Term:** 36 months

Warranty on equipment: 12 months

The EROAD ErucPlus Plan delivers the same automated RUC compliance as the EROAD StarterPlan, but also delivers full off road claims and comprehensive vehicle service management. The EROAD ErucPlus Plan includes:

RUC On Demand

Manage each vehicle's RUCs in real time. Simple 'point and click' ensures your RUCs are purchased as you need them.

EROAD Service Module

Easy to set up and easy to use. The EROAD Service Module ensures on-time alerts for COF, WOF and Rego renewals as well as schedules for vehicle services.

The EROAD Service Module enables you to access your service records 24/7 online.

 **EROAD
Premium Plan**

Cost: \$72 per month **Term:** 36 months

Warranty on equipment: 12 months

EROAD Premium Plan delivers a class-leading suite of tools and reports that will not only reduce costs but will also help make your business more efficient. The EROAD Premium Plan includes:

Locate your vehicles

The Ehubo Premium Plan enables you to locate your vehicles anywhere in New Zealand at any time of the day, including full vehicle activity history and other reports.

RUC On Demand

Manage each vehicle's RUCs in real time. Simple 'point and click' ensures your RUCs are purchased as you need them.

AutoRUC

Purchasing RUCs is made even easier with AutoRUC. Decide how many Kms you want to buy each time and AutoRUC looks after the rest.

EROAD Service Module

Easy to set up and easy to use. The EROAD Service Module ensures on-time alerts for COF, WOF and Rego renewals as well as schedules for vehicle services.
