WINTER
2022 | **ONE STOP**
TO KEEP YOUR
TRUCK MOVING

Our Daimler Trucks network stocks a range of parts for your specific needs. We offer our genuine brands, the number one choice for your Mercedes-Benz or Freightliner truck. By using these genuine parts, not only do you have the benefit of the manufacturer approved quality, fit and performance, you are also able to return your vehicle to its original factory specification. Our genuine parts are backed by our 12 months/unlimited kms warranty for parts and labour.

We also offer a better alternative to aftermarket parts at a competitive price but with the reassurance of a 12 months/100,000kms parts and labour warranty with our Alliance Truck Parts range. The parts warranty not only covers the cost of the replacement part, but also the cost of all other parts directly affected by the failure and any labour costs incurred when the work is performed by an authorised Daimler Trucks dealership.

We can offer attractive pricing on parts and labour, including a set monthly cost for an agreed term. Interested? Ask about our BestBasic Service Plan!
